Hi Everyone,

I just was looking for an update as to whether the above drugs were re-tested. The case is set for trial on 9/12. Not a huge rush. Thanks.

Dear Julianne, Elisabeth, and Daniel,

I apologize for making this request but this case must be retried on 9/12/11 in the Central Division of the Boston Municipal Court. Since Lisa Glazer is unavailable and we no longer can use substitute chemists, I would need to have the drugs tested by a different chemist who will come testify. It would be best to have Daniel conduct the analysis, if possible. That way I would only inconvenience one of you on September 12th.

Attached please find the request to retest the drugs. I will have Sgt. Det. Dwan make sure they get back to you for testing.

I have also attached a summons for Daniel for trial.

Thank you very much. I apologize for the inconvenience this has caused you.

Sincerely,

Nicole B. Cordeiro
